## FAQ

**Q: I want to get one/some of these drawings tattooed. Can I?**

**A:** Hell yeah! If you can, I'd appreciate a small donation and a photo of the complete tattoo in return! Tips help me be able to keep making cool things for everyone.

**TIP JAR:** <https://ko-fi.com/tombofnull>  
**EMAIL:** tombofnull@gmail.com

**Q: Can get someone to modify a drawing for me?**

**A:** If we are talking about major changes, contact me via email! I can also change it for you for a small fee if you wish! I'd rather make major changes for you to keep the visual style consistent.

**Q: Can you make me a custom design?**

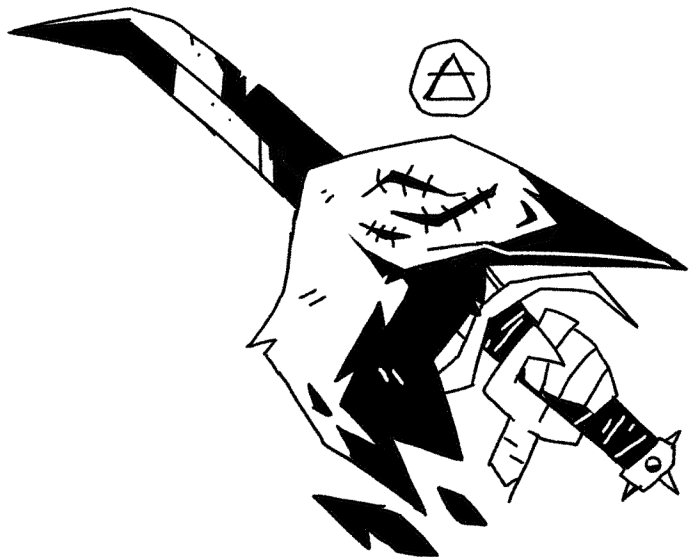

**A:** Maybe! Contact me via email with your idea and I can try to give you a price quote!

**Q: I'm a tattoo artist. Can I use your work to sell/advertize t to my clients?**

**A:** Not unless 1) my work is credited and 2) you get a license to use. Contact me via an email for a quote!  
Otherwise that's stealing. Not cool.
